Dear Member,

Sub: Sponsored Naming of Boats

Our Club is one of the oldest rowing centres in India with a history of 150 years of promoting the sport. MBC has been at the forefront of rowing in the country, grooming young rowers to represent Tamil Nadu at the National level as well as rowers who have had the honour of representing India at the International level. It may be observed with pride, that, after the Army, MBC has been the only other rowing centre that has produced medal winners for India at the Asian level. Over the last 3 decades, more than half a dozen rowers from MBC have participated in and have won medals at the National Games and at the Asian level.

In MBC's 151st Year, we are happy to inform you that in our mission to train young men and women to represent the State and Country, we are importing 13 boats from M/s Kangua & co for the use of the Club. In order to part fund the purchase of boats, we seek your support in raising funds for the club by offering the racing crafts to be named as per your choice on payment of a sponsorship amount. We would appreciate if you could kindly consider our request and avail of this opportunity for 'Sponsored Naming of a Boat' either in your name, a member of your family, a friend or in the name of your company.

The life of racing boat is almost 15 years and every time the boat is either taken for an outing or is raced, it will proudly display the Name chosen by the Sponsor.

The sponsorship amount suggested by our committee for each of the boat categories is indicated in the list attached.

We are looking at a win-win situation of both the Club and the member.

Thanking You

For Madras Boat Club
